February 8, 2005

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A MASTER AGREEMENT FOR
FIREARMS AND TOOL MARK EXAMINATION SERVICES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the attached Master Agreement for Firearms and Tool Mark Examination Services for a term of three (3) years, with options to extend for two one-year optional periods, and thereafter, for another six months in any increment, effective upon Board approval.
2. Authorize the Sheriff to enter into any contracts within the term of the Board approved Master Agreement, and to execute applicable documents when the original contracting entity has merged, been purchased, or has otherwise changed; and to modify the contract within the conditions specified in the contract, including authority for the Sheriff to exercise the extension provisions, if, at the Sheriff's discretion, such extensions would be in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to enable the Sheriff's Department to continue providing quality examinations of firearms related evidence. The Sheriff's Department's Firearms Identification Section provides examinations of firearms related

A Tradition of Service

evidence to all law enforcement agencies within Los Angeles County, with the exception of the cities of Los Angeles and Long Beach.

Currently, there is a shortage of qualified Firearms and Tool Mark examiners available to be hired as full-time County employees. Contractors under this agreement will supplement the services already provided by the Sheriff's Scientific Services Bureau.

Implementation of Strategic Plan Goals

The services provided under this Contract support the County's Strategic Goal No. 1, Service Excellence, by providing quality Firearms and Tool Mark Examination Services.

FISCAL IMPACT/FINANCING

The Sheriff's Department has identified funding in the amount of \$300,000 in Fiscal Year 2004/05's operating budget, and \$300,000 for each year of the contract term. The rate of payment during Fiscal Year 2004/05 is \$70.00 per hour.

This Master Agreement has a provision for a cost of living adjustment (COLA) and such provision is in accordance with the County's COLA policy.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Currently there is an active contract that was approved by the Board on September 14, 1999, which will expire on March 13, 2005.

This Contract has been approved as to form by County Counsel.

The Master Agreement will require all Contractors to be in compliance with all Board, Chief Administrative Office, and County Counsel requirements, including Jury Services and Safely Surrendered Baby Law.

This is not a Proposition A contract, therefore, the Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended Agreement.

CONTRACTING PROCESS

On November 24, 2005, the Sheriff's Department issued a Request for Statement of Qualifications (RFSQ) for the provision of Firearms and Tool Mark Examination Services. The RFSQ was mailed to three vendors, and the solicitation was posted on

the Los Angeles County Web site. In addition, a request to generate a list of examiners interested in working as contract firearm examiners was posted on the Association of Firearm and Tool Mark Examiners (AFTE) Web site. One vendor, who is a current contractor, was determined to be qualified and is prepared to enter into an agreement. Approval of this Master Agreement will permit the Sheriff's Department to contract with additional vendors as they become available.

IMPACT ON CURRENT SERVICES

There will be no negative impact on current Sheriff's operations and services.

CONCLUSION

Upon approval by your Board, please return two (2) adopted copies of this action to the Sheriff's Department's Contracts Unit.

Sincerely,

A handwritten signature in black ink, appearing to read "Leroy D. Baca". The signature is fluid and cursive, with the first name "Leroy" being more prominent.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

8.9 CONFLICT OF INTEREST

The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately

make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph 8.9 shall be a material breach of this Master Agreement.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR'S RESPONSIBILITY AND DEBARMENT

8.12.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Master Agreement, debar the Contractor from bidding on any County Agreements for

a specified period of time not to exceed three (3) years, and terminate any or all existing Agreements the Contractor may have with the County.

8.12.3 The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Master Agreement with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence that is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

8.14 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM:

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through this Master Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

The County or its agent will evaluate the Contractor's performance under this Master Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. 8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Change Notices and Amendments prepared pursuant to Sub-paragraph 8.4, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Notices and Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.20.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.20.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Master Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

- 8.22.3 Failure to Maintain Coverage: Failure by the Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to the County, shall constitute a material breach of the Master Agreement upon which the County may immediately terminate or suspend this Master Agreement. The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance coverage, and without further notice to the Contractor, the County may deduct from sums due to the Contractor any premium costs advanced by the County for such insurance.

8.26 NONDISCRIMINATION AND AFFIRMATIVE ACTION

- 8.26.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.26.7 If the County finds that any provisions of this Sub-paragraph 8.26 have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.26.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Master Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Master Agreement.

8.29.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

8.29.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

- 8.29.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief executive officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 8.29.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.
- 8.29.4 Documentation of Dispute Resolution Procedures. All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Sub-paragraph 8.29.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.34.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.35 PUBLICITY

- 8.35.1 The Contractor shall not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

- 8.35.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this Sub-paragraph 8.35 shall apply.

All such material, including, but not limited to, all financial records, timecards and other employment records, shall be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.36.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.36.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.36.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the

County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.37 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.38 SUBCONTRACTING

- 8.38.1 The requirements of this Master Agreement may not be subcontracted by the Contractor without the advance approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.
- 8.38.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.38.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.38.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.38.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.38.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.

- 8.38.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.38.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

8.39 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by the Contractor under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Board of Supervisors may terminate this Master Agreement pursuant to Sub-paragraph 8.41 - Termination for Default.

8.40 TERMINATION FOR CONVENIENCE

- 8.40.1 County may terminate this Master Agreement in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.
- 8.40.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall

immediately:

- Stop work under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.40.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement shall be maintained by the Contractor in accordance with Sub-paragraph 8.36, Record Retention & Inspection/Audit Settlement.

- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Master Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.41.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Sub-paragraph 8.41.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Sub-paragraph.

8.41.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.41.2 if its failure to perform this Master Agreement, arises out of causes

beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.41.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.41.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.41, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.41, or that the default was excusable under the provisions of Sub-paragraph 8.41.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.40 - Termination for Convenience.
- 8.41.5 In the event the County terminates this Master Agreement in its entirety due to the Contractor's default as provided in Sub-paragraph 8.41.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.41.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Master Agreement sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the

County by cash payment upon demand or, at the sole discretion of the Sheriff or designee, deducted from any amounts due to the Contractor by the County, whether under this Master Agreement or otherwise.

These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Master Agreement, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.21 - Indemnification.

- 8.41.6 The rights and remedies of the County provided in this Sub-paragraph 8.41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.42 TERMINATION FOR IMPROPER CONSIDERATION

- 8.42.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.42.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

- 8.42.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.43 TERMINATION FOR INSOLVENCY

- 8.43.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due,

whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.43.2 The rights and remedies of the County provided in this Subparagraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.44 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.45 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.46 VALIDITY

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.47 WAIVER

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.47 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.48 WARRANTY AGAINST CONTINGENT FEES

- 8.48.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any Master Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
- 8.48.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

Days/Hours of Operation

As Needed

Schedule

As Needed, Contractor will be notified by the County's Project Manager when services are required.

Holidays

Contractor may be requested to provide services on holidays

Service Requirements

The Sheriff requires the services of independent contractor(s) to provide technical firearm examinations of casework and/or firearm examiner training support to the Sheriff's Scientific Services Bureau, Firearms Identification Section.

As this is an accredited Crime Laboratory, the contractor will be responsible to work within the laboratory's quality assurance program as mandated by the American Society of Crime Laboratory Director's/Laboratory Accreditation Board (ASCLD/LAB).

Firearms Examiners may also assist in providing instruction to firearms and tool mark examiners. Such activities include making oral presentations, developing informal and formal training curriculum, interpreting written scientific materials, and evaluating trainees' work on competency test and casework notes/reports.

SPECIFIC TASKS (Case Work)

The tasks outlined below are specific functions expected of the Contractor. Contractor shall conduct casework examination as assigned by the County Project Manager. The County Project Manager triages all incoming evidence and subsequently assigns cases based on a previously established priority list (including, but not limited to, type of charge and court date). These tasks include, but are not limited to:

1. Microscopic examination of ammunition components to determine if fired from a particular firearm or type of firearm. These components include both bullets and cartridge cases that retain microscopic impressions upon firing. Contractors will microscopically examine this evidence to

ascertain whether there are sufficient unique characteristics to identify this evidence to a particular firearm.

2. Classification of bullets and cartridge cases for investigative lead information. Bullets may provide enough information so that the examiner can determine the type of weapon that may have been used.
3. Identification of ammunition and components.
4. Muzzle-to-target distance determination, utilizing procedures specified in the Firearms Identification procedure manual. These tests are to show how far a shooter was standing from the target surface.
5. Chemical testing for gunshot residue (specifically for lead and/or nitrites). These tests may assist in identifying bullet holes or damage.
6. Tool Mark comparison to determine if tool marks were generated by a particular tool.
7. Documentation and reporting of observations and conclusions utilizing reports, worksheets, and other documentary methods as specified in the Department, Bureau, and Section manuals. When necessary, Contractor may be required to communicate expert opinions to investigators or during court proceedings. All documents and reports including, but not limited to, those listed in this section 7, will remain the property of the Los Angeles County and will be kept at the Los Angeles County Sheriff's Department, Scientific Services Bureau.
8. Examination and collection of evidence from crime scenes involving firearms. Contractors may be called upon to respond to crime scenes at all hours in order to collect firearms evidence, document trajectories and provide expert opinions relating to firearms/tool mark evidence encountered in the field. Contractors may also respond to the field to render firearms safe for transport. All reports or evidence collected including, but not limited to, those listed in this section 8, will remain the property of the Los Angeles County and will be kept at the Los Angeles County Sheriff's Department, Scientific Services Bureau.
9. Provide the Firearms Identification Section supervisor with a report of casework and/or tasks performed, as requested.

SPECIFIC TASKS (Training)

The task outlined below is the specific function expected of the Contractor that will conduct training in the firearms examiner services:

1. Provide instruction to firearms examiner trainees in fundamental firearms knowledge, technical methods of firearms examination, and correct documentation of observations and reporting of conclusions. This training includes the implementation and documentation of the AFTE (Association of Firearms and Tool Mark Examiners) training syllabus or other similar firearms training syllabus, all practical exercises and competency tests, all oral boards and moot courts.
